CLARIFICATION

Subject: Clarification regarding coverage of Analog CCTV under the Essential Requirements (ERs)– reg

The Government of India, Ministry of Electronics and Information Technology (MeitY), has notified "Electronics and IT Goods (Requirement of Compulsory Registration) Order, 2012 (CRO)" mandating standards/Essential Requirements for the product categories notified under the Schedule of the Order. CCTV Camera is one of the product categories notified under the schedule of CRO for compliance to IS 13252 (part-1) :2010 and Essential Requirements (ERs) for security.

2. Further, Essential Requirements for security have also been notified under the Public Procurement (Preference to Make in India) Order for CCTV cameras.

3. In this regard, it is clarified that the currently notified Essential Requirements (ERs) for security are not applicable on Analog CCTV Cameras, thus, the Analog CCTV Cameras are not required to be tested for compliance to the notified ERs for security in both the aforesaid Orders. However, under CRO, the compliance of IS 13252 (part-1) :2010 is mandatory.

4. This issues with the approval of Competent Authority.
