

Ministry of Electronics and Information Technology

Monthly Achievements for the month of August, 2025

The significant developments pertaining to Ministry of Electronics and Information Technology for the month of August, 2025 are as given below:

1. Electronics Manufacturing

(i) Development of Semiconductors and Display Manufacturing Ecosystem in India

As of August 2025, following applications have been approved under the scheme:

- One (1) application for providing fiscal support for setting up a Semiconductor Fab facility in India.
- Eight (8) applications have been approved for setting up of Semiconductor ATMP/OSAT facilities in India.
- One (1) application have been approved for setting up of Compound fab facility in India.
- Twenty-three (23) applications have been approved for providing fiscal support for Semiconductor Design companies under Design Linked incentive scheme.

(ii) Modified Special Incentives Package Scheme (M-SIPS)

- Incentives amounting Rs 7.53 crore has been disbursed to 1 applicant.
- 10 applications have been approved under the scheme

(iii) Production Linked Incentive Scheme (PLI) for IT Hardware:

- Till August 2025, PLI Schemes for IT Hardware have led to a total cumulative production of Rs. 14224.23 crore, total cumulative investment of Rs. 845.65 crore and total cumulative employment of 6775 (direct jobs).

(iv) Scheme for Promotion of Manufacturing of Electronic Components and Semiconductors (SPECS)

- Disbursement status: As on August 2025, Rs. 720.36 crore has been disbursed to 22 applicants.

(v) Production Linked Incentive Scheme (PLI) for LSEM

- Till August 2025, PLI Scheme for LSEM led to a total cumulative production of Rs. 9,05,820 crore, total cumulative investment of Rs. 12,612 crore and total cumulative employment of 1,28,839 (direct jobs).

(vi) Electronics Manufacturing Clusters (EMC) & EMC 2.0 Scheme

- Under EMC scheme, 11 companies allotted land with their projected investment of Rs. 205 crores. 4 companies started production with investment of about 30 crores and provided employment to approx.123 persons.
- Under EMC 2.0 scheme, M/s. Nava Raipur Atal Nagal Vikas Pradhikaran (NRANVP) accorded approval on 05.08.2025 for setting up of Common Facility Centre (CFC) at a

project cost of Rs. 108.43 crore including Central Grant-in-aid of Rs. 75.00 crore from MeitY. This CFC aims to cater to the industry's growing need for advanced prototyping and testing facilities. Proposed facilities include PCB Prototyping (Prepages, Copper Cladding Laminate, and high-end PCBs), Environmental Testing and EMI/EMC Test Facilities, 3D Printing Labs, Wood Workshop, Capacity Building and Training Infrastructure. The facility is expected to generate employment for approximately 2,500 persons, contributing significantly to regional industrial development.

- Under EMC 2.0 scheme, 1 unit M/s. Nidec Industrial Automation India Pvt. Ltd, has been allotted land with incremental investment of about Rs. 100 crore. Further, existing 2 units have further mobilized their incremental investment of Rs.161 crore and provided employment to approx. 200 persons.

2. Minimum Government, Maximum Governance

- (i). **Jeevan Pramaan:** A total of 3,24,817 Digital Life Certificates (DLCs) have been generated in August, 2025.
- (ii). **MyGov:** Till August 2025, MyGov has 1034 discussion themes and 1812 tasks. Around 5.91 Crore people have registered on the Platform.
- (iii). **Open Government Data Platform (OGD) India:** Till August 2025, more than 4.81 lakh resources have been contributed under 12,479 catalogs and 3,526 Visualizations and 2,35,676 Datasets APIs have been created. 1,10,73,326 datasets have been downloaded.
