

GOVERNMENT OF INDIA

Ministry of Electronics and Information Technology

Filling up the post of Chairman & Members in the Data Protection Board of India

The Government of India has established the Data Protection Board of India (DPBI) under Section 18 of the Digital Personal Data Protection Act, 2023. The Board has been established as a body corporate with the mandate to function as an independent adjudicatory authority for the effective enforcement of the provisions of the Act. The DPBI is envisaged as a digital-by-design institution, aligned with the Government's objective of ensuring efficient, transparent, and technology-enabled governance. It is empowered to inquire into personal data breaches and instances of non-compliance, issue appropriate directions for mitigation and remediation, and impose monetary penalties, in accordance with the provisions of the DPDP Act and the DPDP Rules 2025 framed thereunder.

The Board consists of a Chairperson and four other Members.

Applications are invited for filling up the post of the Chairperson and four other Members. For application format, eligibility conditions, requisite qualifications, pay and allowances, and other details, log on to Ministry's website www.meity.gov.in.

Application in the prescribed proforma should reach the Deputy Secretary (Personnel), Ministry of Electronics and Information Technology, Electronics Niketan, 6 CGO Complex, New Delhi - 110003, within 30 days from the date of publication of this advertisement in the Employment News.
