ADDENDUM/ AMENDMENT/ CLARIFICATION

Subject: Addendum/ Amendment/ Clarification - 2 to Electronics Component Manufacturing Scheme (ECMS) Guidelines – reg.

Reference:

i. *Electronics Component Manufacturing Scheme (ECMS) Gazette Notification No. CG-DL-E-08042025-262341 dated 08.04.2025*
ii. *ECMS Guidelines dated 26.04.2025*
iii. *Addendum/Amendment – 1 to ECMS Guidelines dated 07.07.2025.*

In pursuance of the Electronics Component Manufacturing Scheme (ECMS) Guidelines issued by MeitY dated 26.04.2025, as amended from time to time, the following addendum, amendment and clarification are hereby issued.

2. The following provision shall be added to the ECMS Guidelines in respect of Target Segment D – Supply Chain Ecosystem and Capital Equipment:

The units receiving incentive under target segment D of ECMS shall be required to remain in commercial production for a period of at least 3 (three) years from the date of commencement of commercial production or 1 (one) year from the date of receipt of the last incentive, whichever is later. The applicant shall provide an undertaking to this effect in the prescribed format.

In the event of default or closure of an applicant unit before completion of the prescribed period, the applicant shall be required to refund the incentive disbursed under the Scheme, failing which recovery shall be undertaken as per the prescribed procedures.

3. The following amendment is hereby made w.r.t. Baseline Sales under ECMS:

For applicants under Target Segment A, B, C & E whose manufacturing capacity for the same target segment product has already been incentivised under SPECS/M-SIPS, the baseline sales for the purpose of computation of eligible incremental sales under ECMS shall be sales value corresponding to 75% utilisation of the already existing manufacturing capacity including those incentivised under SPECS/ M-SIPS or actual sales of the target segment product achieved during the base year, whichever is higher.

Provided that the sales volume of the target segment product manufactured by the applicant exceeds the original rated annual production capacity approved under SPECS/ M-SIPS.

4. With reference to Target Segment D – Supply Chain Ecosystem and Capital Equipment under ECMS, the following clarification is hereby issued in respect of Target Segment D:

Under Target Segment D – Supply Chain Ecosystem and Capital Equipment, applications for manufacturing of parts, components, raw materials and capital goods including their

sub-assemblies and components, having applications in the electronics sector ***but not limited to exclusive use in the electronics sector****, shall be considered eligible, subject to fulfilment of the applicable eligibility criteria and other conditions prescribed under the Scheme.*

5. The ECMS Guidelines dated 26.04.2025 shall be read together with the above addendum, amendment and clarification, wherever applicable. All other terms and conditions of the ECMS Guidelines, as amended from time to time, shall remain unchanged.

6. This addendum, amendment and clarification is issued with the approval of Hon'ble Minister of Electronics and Information Technology.
