

MINISTRY OF ELECTRONICS AND INFORMATION TECHNOLOGY

(Electronics Niketan, New Delhi – 110003)

DIGITAL INDIA INTERNSHIP SCHEME 2022

1. PURPOSE:

An internship is an opportunity for a student to secure first hand and practical work experience under the guidance of a qualified and experienced Supervisor/Mentor. It also aims at active participation in the learning process through experimentation and putting into practice the knowledge acquired in the classrooms. For the larger benefit of the student community and with a view to enrich the management/implementation of its various schemes/programmes, the Ministry of Electronics and Information Technology has decided to notify these “Internship Guidelines”, to provide a framework for engagement of Interns for a limited period.

2. ABOUT MEITY:

Ministry of Electronics and Information Technology (MeitY) is responsible for formulation, implementation and review of national policies in the field of Information Technology, Electronics and Internet (all matters other than licensing of Internet Service Provider). Its mission is to promote e-Governance for empowering citizens; promoting the inclusive and sustainable growth of the Electronics, IT and ITeS industries; enhancing India’s role in Internet Governance; adopting a multipronged approach that includes development of human resources; promoting R&D and innovation; enhancing efficiency through digital services; and ensuring a secure cyber space.

3. DEFINITIONS:

Unless the context requires otherwise, the following words shall have the meaning attributed to them in these guidelines:-

- (i) “Ministry” means The Ministry of Electronics and Information Technology (MeitY) and its attached offices viz. National Informatics Centre (NIC) and Standardisation Testing and Quality Certification (STQC) Directorate.
- (ii) “Competent Authority” means the Secretary, Ministry of Electronics and Information Technology.
