

Joint working Group with Japan

As an outcome of the Hon'ble MCIT visit to Japan to promote investment in Electronics System Design & Manufacturing (ESDM) in India, DeitY has nominated the following persons from Indian side for the proposed Joint Working Group (JWG) between India and Japan to identify an agenda of cooperation and investment promotion in ESDM sector and to explore the possibility of Japanese specific ESDM clusters around the DMIC area and other states, in association with JETRO:

1. Dr. Ajay Kumar, Joint Secretary, DeitY (Co-Chairperson)
2. Shri Deepak Sharma, Addl. Director – Member Convenor

Following members may be invited during the JWG meeting as per the requirement:

- a. Joint Secretary, Software Development Group or its representative
- b. DG CDAC or its representative
- c. Head Japan Desk
- d. Industry representative
- e. Any other invitee with the approval of Co-Chair
