10.6.9. Baseline for Sales of Manufactured Goods covered under Target Segment and for Sales of Manufactured Eligible Product for second and subsequent years (Period from 01.04.2019 to 31.03.2020)

10.6.10. Any other information / condition stipulated by the EC

10.7. No disbursement claims will be considered until the process of determining the baseline has been completed for an approved application.

11. Calculation of Incentive

11.1. The incentive applicable for an approved applicant shall be computed as follows:
Net Incremental Sales of Eligible Product x Rate of Incentive

Where

- Eligible Product is as stated in the approval letter
- Net Incremental Sales shall be Net Sales Turnover of Eligible Product for the period to which claim for disbursement of incentive pertains minus the Net Sales Turnover of said Eligible Product as per baseline determined
- In case of return of Sales of Manufactured Goods under target segments, the Gross Sale Turnover shall be reduced by the amount corresponding to such return of sales. If the corresponding sales have been considered for claim processing for the earlier period, the sales return shall be adjusted with Gross Sale Turnover for the period in which the actual sales return takes place.
- The incentive amount payable shall be subject to annual and cumulative ceilings on Net Incremental Sales Turnover on which incentive shall be applicable.
- Annual Ceiling on incentive payable to each applicant will be determined based on Financial Outlay as indicated in Para 8.1 of the Scheme and number of eligible applicants in each of the target segments. The annual financial outlay will be appropriated proportionately depending on number of applicants under each target segment. At the end of the year, any unappropriated incentive amount resulting from underperformance with respect to the prescribed annual ceiling on Net Incremental Sales, by any applicant(s) in any target segment, will be allocated to the remaining eligible applicants under such target segment who have achieved Net Incremental Sales in excess of the annual ceiling. Such incentive amount will be distributed only to the extent of excess performance by an applicant beyond the annual ceiling of net incremental sales of eligible product. If the incentive amount payable on cumulative excess performance by the applicants in a target segment is greater than the unappropriated incentive amount, then the sum of incentives
payable beyond the ceiling amount for each applicant will be restricted to the unappropriated incentive amount for such target segment and such amount will be distributed among the overperforming applicants in proportion to their respective excess performance beyond the annual ceiling of Net Incremental Sales.

- Illustratively, if there are five (5) eligible applicants under *Mobile Phones* (*Invoice Value of INR 15,000 and above*) target segment, the year-wise incentive ceiling per applicant will be $1/5^\text{th}$ of the annual financial outlay for the said target segment. In case of underperformance by say 2 applicants, the unappropriated amount relating to these applicants will be allocated to the 3 remaining applicants in proportion to their performance in excess of the annual ceiling of Net Incremental Sales. **Excess incentive payable to each of these 3 applicants will be capped to the lower of the following:**

(i) Incentive payable on excess performance beyond annual ceiling of net incremental sales at the eligible rate of incentive for such year.

OR

(ii) Share of unappropriated incentive amount, divided in proportion to the excess performance by the applicants over the annual ceiling of Net Incremental Sales for such applicants.

12. Disbursement of Incentives

12.1. For claiming incentive under the Scheme, applicants will be required to submit claims for disbursement of incentive to the PMA. Applicants must ensure that the claims are complete in all respects and are accompanied by all the documents required as per format prescribed in Annexure 6 of these Guidelines.

12.2. An applicant may submit a claim for disbursement of incentive as early as the end of the quarter in which the eligibility criteria for the year in consideration have been met. Claims for disbursement of incentive may
be submitted only on a quarterly or half-yearly or annual basis. Claims for any period shall be made only once, unless withdrawn, and no subsequent part claims shall be allowed for the said period.

12.3. Claims for disbursement of incentive shall be filed by the applicants within 9 months from the end of the financial year to which the claim pertains.

12.4. The PMA will examine the disbursement claims as submitted by an applicant. The PMA shall verify eligibility and assess incentive payable to an applicant based on the method laid down in these Guidelines and the approval letter issued to the applicant.

12.5. The PMA will have the right to verify any document(s) in relation to the claim for incentives including but not limited to statutory auditor certificates and returns furnished to various Ministries / Departments / Agencies. The PMA shall also have the right to examine the end realization and settlement / payments corresponding to sales and investment respectively by way of auditor’s certificate, bank statements etc. to the extent deemed necessary.

12.6. In case of any doubt with respect to determining eligibility and incentive amount due, or any other matter in discharge of its duties and responsibilities, the PMA may refer to MeitY for clarification. The decision of MeitY will be final in this regard.

12.7. The PMA shall process claims for disbursement of incentive and make appropriate recommendations to the EC.

12.8. The EC will consider claims for disbursement, as examined, and recommended by the PMA, for disbursement of incentive.

12.9. The PMA shall disburse funds after completion of all pre-disbursal formalities by the applicant and approval from Competent Authority.

12.10. The disbursement of incentives may be in the form of Direct Bank Transfer (to be used as may be allowed by the Ministry of Finance)
