Train The Trainer

Digital India initiative has accentuated the need for adequate and relevant capacities at all levels. The objective is to provide professional resources and training to political and policy level decision makers for all States/UTs and to build the in-house capacity for implementation of various e-Governance initiatives.

Background
The core objective of the Capacity Building Scheme Phase II is to build capacities in Central Line Ministries and State/UT Line Departments for implementation of various e-Governance initiatives. This is to enhance the abilities of the project teams, to have a holistic understanding on visualizing, conceiving and delivering projects.

Train The Trainer (TTT) Programmes
The TTT programmes aim to create and enlarge a pool of expert trainers whose expertise can be used by Central and States / UTs Governments for their e-Governance training programmes. It also standardizes the delivery of content, ensure that a comprehensive and quality facilitation of e-Governance lifecycle is delivered across the country through multiple training programmes.
